# SPIRIT CT850 TREADMILL

## CARDIO

Designed to withstand the rigors of a commercial fitness environment, the CT850 features a heavy-duty steel frame, a durable powder coat finish and large steel console masts for ultimate stability and durability. The cool running, brushless 3.0 horse power AC drive motor adds to the reliability of the treadmill whilst providing the torque and smooth continuous power required by the unique needs of its users.

## *Features*

- Spacious 22" x 60" workout area to accommodate tall individuals.
- Bright, tri-color LED display is easy to use and consistent with other Spirit Fitness C-Series products.
- Ten-digit key pad for easy program set-up and quick speed and incline adjustments during use.
- Contact and telemetric heart rate options to help keep clients in their effective training zone.

**SPIRIT**
